

NOTICE OF PROPOSED ACTION

by the
State of Nevada
Division of Environmental Protection
Bureau of Air Pollution Control

PUBLIC NOTICE

Pursuant to Nevada Revised Statutes (NRS) Chapter 445B, the Nevada Administrative Code (NAC) Chapter 445B, and the Clean Air Act, the Division of Environmental Protection is issuing the following notice.

The Administrator received an application for an Operating Permit to Construct AP9711-3410 for a Class I facility from the following applicant:

United States Air Force Test Center, Nevada Test and Training Range (NTTR)
P.O. Box 93174, Las Vegas, Nevada 89191-3174

The project is located in Lincoln and Nye Counties. The Administrator has prepared a tentative determination regarding an operating permit to construct that, in brief, contains the following primary emission source:

- Concrete Batch System
- Hot Mix Asphalt (HMA) System
- Aggregate Processing System

On the basis of the preliminary review and the requirements of the NRS, the NAC and the Clean Air Act the Administrator is hereby announcing her intent to issue a Class I air quality operating permit to construct based on a review of the information, as proposed. A copy of the draft operating permit is available for public inspection at:

The application, draft permit, any comments received, and other relevant information may be copied at the above address, or copies may be obtained by written request to the above address. Written comments or objections will be retained and considered prior to final action on the Class I operating permit to construct. Comments or objections must be received at the above address by **February 7, 2014**. Upon a valid written request received prior to the end of the comment period, the Administrator may schedule a public hearing on the application and proposed action.

Please bring the foregoing notice to the attention of all persons whom you know may be interested in this matter.
